

## Download Instructions

From the thumbnail page, click on a specific image to enlarge it:

From the image page, **RIGHT** click on the large image.  
Select “**Save Picture As**” and specify the appropriate directory.

If you have questions or problems, feel free to contact us. We’re happy to help.  
You’ll need the image name (located on the bottom of the webpage) when contacting us.

### Things to Remember:

- Make sure you’re downloading the large image and not the thumbnail.
- The resolution of the large image is 1024 x 682 pixels. That is large enough to make 4x6 and 5x7 prints.
- If you need a higher resolution image for larger prints, please contact Tom Bradley Photography and provide them with the image name such as “2010-04\_Troop395\_0007” (The image name can be found on the bottom of the webpage). We will email you the high resolution image at no charge.
